# OUR STORY

Champion Page Foundation began after a life changing experience with the United Nation Mission In Liberia (UNMIL); the burden to support and build up the communities affected by war was one that couldn't be overlooked. Since 2006 till now, Champion Page Foundation has supported numerous organisations in Liberia, Sudan, Ghana, Belize, Nigeria and France which are aligned with our vision to rebuild war torn communities. Together, we have been able to provide NGOs and individuals with necessities including: food, clothing and money. Our reach is ever-expanding and we seek to help and support many more lives in the coming years.
